many thanks!

The 12th Annual Walk for Suicide Awareness held on Sept. 10, 2016 – World Suicide Prevention Day was a huge success thanks to the incredible efforts of our many volunteers and community partners!

We would like to extend our thanks to the staff team from Durham Mental Health Services who attended the walk and manned their display booth, sharing important information about their programs and services! We appreciate your support!

We would also like to thank the team from the Youth Suicide Prevention Action Group who attended the walk, and manned a display booth that shared information about the Durham Region Be Safe App!

Great work everyone – thank you for your support!

We would also like to extend a sincere thank you to Jennifer Kavanaugh who attended the Walk and pursued and secured a donation from lululemon Canada!

Thank you for helping us raise awareness about suicide and funds to help support Distress Centre Durham's programs and services.
